Message from Kelli Nuttall, CEO

It is truly an honor to step into this role after all that Susie has done to shape and grow MORE. I am grateful to have had her as a mentor for so many years, and I carry her passion and dedication with me as we move forward.

With your continued support, we will keep building opportunities and services that make a real difference. My door is always open, and I welcome your input and ideas, and I look forward to the exciting growth ahead for MORE and the people we serve.

Cheers to 25 Years

Congratulations to Lorena F.! She has achieved an incredible milestone—25 years at Marshall Hospital through our Supported Employment Program. Thank you, Lorena, for inspiring us all with your dedication and heart.

National Lunch In with Our Local Heroes

Thank you to the Placerville Police, El Dorado County Sheriff's Dept., and Fire Department for joining us for a special "Lunch In" on National Night Out! They served lunch, brought vehicles and handed out fun giveaways, and the Sheriff's water guns were a big hit on a warm day!

Cooking Up Opportunities at MORE

MORE is thrilled to announce the launch of our new Culinary Training Program, made possible through an \$8,000 grant award with big thanks to the Women's Fund El Dorado!

This program will provide participants hands-on training in kitchen skills, food safety, and customer service, while building confidence and creating pathways to employment in the food service industry.

Growing Success with Our Master Gardeners

Our Master Gardeners class has been flourishing! With six raised beds producing fresh veggies for our Food Program, vibrant flowers, and greenhouse starters, the garden is thriving. This year's fair brought even more excitement—our displays earned 1st place for Best Use of Theme and 2nd place overall in the Adopt-a-Spot Garden competition!
