Message from your CEO, Kelli Nuttall

As we launch into the second quarter of the year, I am filled with overwhelming gratitude and appreciation. Thank you for helping us start the year off with such incredible momentum.

Our staff continue to do amazing things each day, supporting the individuals we serve as they grow, learn, and thrive. At the same time, our community continues to show up for MORE in ways that truly cannot be fully expressed.

We are off to an amazing start, and I am so excited for what lies ahead. I look forward to all that we will accomplish together this year.

Programs in Action Two of our most popular classes continue to inspire creativity and independence.

Our Transit class focuses on building independence and confidence by teaching clients how to safely navigate and access the community using local public transportation, an essential life skill that opens doors to greater opportunity.

Our Creative Expressions class, led by dedicated MORE volunteers Dan Trainor and Rick Gaylord, brings energy, laughter, and interactive fun, encouraging confidence and self expression in a truly unique way.

A Night to Remember

Thank you to everyone who supported Art and Wine with Something MORE this January. This Mardi Gras themed evening brought our community together for tastings, raffles, auctions, and the popular Mystery Box.

A special thank you to Randy Bickel and the Knights of Columbus, Holy Trinity, for their generous surprise donation. This was our most successful event yet.

Big Day of Giving is Coming!

Big Day of Giving is just around the corner, a powerful day dedicated to celebrating local philanthropy and supporting nonprofits like MORE. This year, we are especially excited to share that the Scott & Trish Karll Charitable Foundation will be matching donations, doubling the impact of every gift. Stay tuned for more details on how you can be part of this incredible day of giving.

Empowering Through Culinary Training

We are incredibly grateful to the Women's Fund of El Dorado for selecting MORE as a grant recipient. Their support has allowed us to enhance our kitchen equipment and launch our Culinary Training Program.

Through this program, five trainees are gaining hands on paid experience in food preparation, serving, kitchen safety, and teamwork, building real world skills that will support future employment opportunities.

Growing MORE Together

We are grateful to The Latrobe Fund for supporting our growing garden program. What began as a small effort has become a meaningful, hands on learning experience for our clients.

Through partnerships with Master Gardeners and CalFresh, participants build horticulture skills while growing produce for our lunch program and local households, creating opportunities for independence and community connection.

Totally 90s Fun

Our 90s themed Fun Friday was totally cool. A big thank you to the incredible team of clients and staff who brought the day to life with creative decorations that set the perfect vibe. From games and trivia to great music, delicious food, and amazing 90s outfits, the energy was unmatched. The highlight of the day was an unforgettable choir performance featuring favorite 90s hits. What a fun and memorable celebration.
