Message from your CEO, Kelli Nuttall

One thing continues to amaze me about our community: people genuinely care and want to make a difference.

Over the past few months, we've seen that generosity in countless ways. From volunteers and grant partners to local businesses, donors, and community members, your support creates opportunities that help the individuals we serve grow, thrive, and belong.

Thank you for believing in MORE. We hope you enjoy this look at some of the wonderful things happening throughout our programs and community.

MORE's Adopt-a-Spot Blooms

Throughout the year, clients worked together to care for MORE's Adopt a Spot garden at the El Dorado County Fairgrounds. As fair season approached, our Creative Arts Department added the finishing touch by transforming "Ms. Pig" into a blue-ribbon worthy pie judge, perfectly capturing this year's theme, Good Ol' Fashion Fun. The display beautifully showcased the creativity, teamwork, and pride our clients bring to every project.

Laughter, Community & Lasting Impact

Our 10th Annual Stand Up for MORE Comedy Night was another incredible success! Guests enjoyed a delicious dinner by John Sanders of Old Town Grill before settling in for an evening of nonstop laughter.

Headliner Cash Levy and opening act Marcus Mangham had the audience laughing from start to finish, while friends, supporters, and community members came together to raise critical funds for MORE.

Thank you to everyone who attended, sponsored, volunteered, and helped make this unforgettable evening possible.

Something MORE Artists Shine at the Library

During the month of May, the talented artists of Something MORE had their artwork proudly displayed at the El Dorado County Library. Not only did these artists create the beautiful pieces on exhibit, they also helped set up the display for the community to enjoy.

We are grateful for opportunities like these that celebrate the creativity, talent, and unique perspectives of the individuals we serve.

Game On! Sports Day Scores Big

Sports Day was a winning choice for our latest Fun Friday celebration! After a week of spirited daily themes, clients and staff came together for an action-packed day of friendly competition, favorite team gear, games, a sports themed choir performance, and lots of laughter.

A heartfelt thank you to our amazing staff, whose creativity and dedication make every Fun Friday possible. The time, energy, and enthusiasm they pour into these celebrations create unforgettable memories for everyone involved.

Big Day of Giving Makes a BIG Impact

Big Day of Giving is more than a day of fundraising. It is a celebration of local generosity and the incredible power of community. We were humbled by the outpouring of support from donors near and far, with the first \$2,500 matched by Nugget Markets and every donation beyond that matched by the Scott & Trish Karll Charitable Fund. Together, your generosity doubled the impact and continues to create meaningful opportunities for the individuals we proudly serve.

Connecting to our Community

MORE enjoyed participating in the 35th Annual El Dorado County Business Showcase and I ♥ Film Mixer, where more than 2,000 community members gathered to connect, collaborate, and celebrate local businesses and organizations. Our team loved sharing MORE's mission, programs, and the incredible talents of the individuals we serve. Events like these help introduce MORE to new supporters and strengthen the connections that make our community so special.

OCTOBER 16, 2026

5:00 PM at MORE

Join us for a fun-filled evening of poker, prizes, food, and community—all in support of the individuals we serve!
