Message from your CEO, Kelli Nuttall

As summer gives way to fall, I find myself reflecting on the many ways we see growth at MORE. Sometimes it is a big accomplishment, but often it is found in the smaller moments: learning a new skill, trying something for the first time, building confidence, or discovering a new interest.

These are the moments that make what we do so meaningful. I am incredibly proud of the individuals we serve and the staff who encourage and support them each day. Thank you for helping us create opportunities for everyone at MORE to continue learning, growing, and thriving.

Celebrating the Heart of MORE

This August, we celebrated our clients, the reason we are all here, with a fun filled carnival themed Client Appreciation Day! Thanks to our Board, staff, and generous community sponsors, including the Shingle Springs Band of Miwok Indians, the day was packed with fun. From a client fashion show and hilarious staff “What Not to Wear” fashion show to a scavenger hunt, cake walk, carnival games, prizes, popcorn, and snow cones, there were smiles everywhere. It was a wonderful day dedicated to celebrating the incredible individuals who make MORE so special!

Welcome to the Upside Down!

Things got a little strange at MORE during our latest Fun Friday! Clients chose a Stranger Things theme and the planning committee went all out with handmade decorations, costumes, trivia, a scavenger hunt, and even a themed lunch. Eggo waffles made the perfect snack, followed by a special treat from Scoops Ahoy. The highlight was an unforgettable performance by the MORE choir featuring songs from the show. It was a fun filled day worthy of the Upside Down!

Community Heroes Visit MORE

A big thank you to the Placerville Police Department for helping organize a special National Night Out luncheon at MORE! The El Dorado County Fire District joined in the fun, bringing police cars, fire trucks, and ambulances for our clients to explore up close. Guests enjoyed a special hot dog lunch and a performance by MORE’s own choir. We are so grateful to our local first responders for spending the day with us and creating such a fun and memorable experience for everyone!
